 Amalner, Dist. Jalgaon, Maharashtra - 425401

## About Me

I am a third-year B. Tech (Computer Engineering) student with a keen interest in web development, machine Learning and data structures and algorithms (DSA). I am eager to apply my skills and knowledge in real-world projects and am enthusiastic about contributing to innovative and impactful technology solutions.

## EXPERIENCE

### R3 System India Private Limited.

June 2024 – July 2024

Java Development Intern

Assisted in developing and maintaining Java-based applications, focusing on improving functionality and performance. Participated in code reviews and contributed to debugging and troubleshooting software issues. Collaborated with team members remotely to implement new features and optimize existing code.

## EDUCATION
